## 20%/10% Concept

Beneficio Coffee's™ mission is to **GiveBack** to the communities where we live, work, and play.

Beneficio Coffee™ **GivesBack** 20% of the net proceeds from each 12 oz. bag of coffee purchased to communities in Costa Rica where our coffee is grown, picked, and processed. **FeelGood** about the people you have helped with each purchase of Beneficio Coffee™.

To date your purchase of Beneficio Coffee has generated \$29,000 in 20% GiveBack Funds to Costa Rica and over \$14,500 in 10% GiveBack funds to non-profit and service organizations in the United States.

You've helped provide school shoes and supplies so children in rural Costa Rica can attend school; refurbished schools, built houses for Coffee Farmers and their families, supported an Orphanage by supplementing their operating funds and making improvements to their buildings, given Christmas gifts to 14 boys between the ages of 6 to 16, built greenhouses and planted seedlings to buffer the Rain Forest, and much more.

These monies make a huge difference in the life of the families that work hard to grow, pick, and process the coffee we drink every day.

Beneficio Coffee™ also **GivesBack** an additional 10% of the net proceeds from each 12 oz. bag purchased to our customers' organizations for community outreach and giving opportunities. For more information on the customer organizations we've helped, or to let us know about one that you'd like us to consider, please [contact us](#).

To see a few of the people you've helped, please click on the 'Who We've Helped' tab just after this page... Enjoy and Feel Good!!!

For more information or questions about our GiveBack Program, Intern, or Service Trip Programs, please contact [Jinxi](#).
