## Welcome

We are excited and happy to bring you what we think is the best-tasting coffee in the world. When you purchase Beneficio Coffee™ you are purchasing some very special coffee that does some very special things.

Loosely translated – Beneficio means for the benefit of all. Beneficio Coffee's™ mission is to give back to the world.

Beneficio Coffee™ gives back 20% of the net proceeds from each 12 oz bag purchased to the areas in Costa Rica where our coffee is grown, picked, and processed, for community outreach. We then give back an additional 10% of the net proceeds from each 12 oz. bag sold to non-profit organizations, schools, service organizations, and businesses who participate in our programs, for community outreach and other giving opportunities. We also create additional fund-raising opportunities for our organizations. Ask us how!

Please take a moment to explore our site and learn about our mission, concept, values, our coffee, our programs, and us. You will see how, with your support, we can make a difference in the world. By changing just one purchasing decision you make, you can help support outreach and giving efforts globally.

We hope that you will try our delicious coffee and become part of our mission, concept, and dream. Please [contact us](#) for further information or to answer any questions you may have.

Thank you,

*Jinxi*
