Our Values

[Enjoy!](#)

Enjoy our coffee. We bring you consistently delicious, premium quality gourmet coffee at economical prices.

[Give Back!](#)

Your purchase of Beneficio Heavenly Blend™ coffee makes it possible for us to give back 20% of the net proceeds from each 12 oz. bag purchased to the people of Costa Rica who grow, pick, and process our coffee. And to give 10% back to our customers' organizations for outreach and giving opportunities.

Feel good about the coffee you are drinking and your part in making a difference in the world.
